Capt. Geo. Owen, a witness for the prosecution
being duly sworn says, I am Capt of Co F
8th Cal. Inf. Mr. Sergeant Sibble is a
member of my company. He left the company
without my permission about the 27th day
of October 1862 at Osage Springs Arkansas
and returned about the last of November 1862.
I was in command of the company at the time he left.
Sibble was sent out on picket guard on the 27th of
October with ten others to what is called Elm Springs
I did not see him after he went. He returned about
the 28th. Sibble reported to me ^{in Dallen Co} at Hannibal Mo. Sibble
expressed himself as not obliged to go into Arkansas
he being enlisted in the State service. The company
officer conveyed the idea to the men ^{when they were informed} that they were not
compelled to go out of the State. Sibble's character
as a soldier has always been good. Sibble was on
duty the last I know of him before he left.

The prosecution having no further evidence to offer
then closed.

The defense having no testimony to offer the
Court was closed for deliberation and after they
had duly considered the evidence a decision was made

Provost Marshal General

Sir on receiving the orders issued from your office in regard to the arrest of disloyal citizens I am aware that it will be necessary that we have a provost marshal at this post as there is a vast amount of business required to be done at this place and if you think we are entitled to such an office at this post I would recommend Elias Disney to you as a suitable person and a man qualified to do the business and you will please appoint and authorize said Disney or some other person as soon as possible I will give you my reasons for asking some favours of you this is the county that the Confederate army was quartered in and they have robbed us as long as they could find any thing to steal or take and now they have gone south and left their property here now we ask that we may collect and sell this property at public sale at this place in order that the loyal men may have an opportunity to purchase and again stock their farms and not allow the property to be driven off and bought by disloyal men as has been the case heretofore

Respectfully yours

P. G. A. J. Pugh Maj com 5th Regt Cav. M. G. M. and was elected to the office of County Justice but has not yet received a discharge and if he is not discharged on account of his election I would ask that he receive the appointment and serve his time out in that capacity

VOLUNTEERS.
Died Oct. 7, 1864. 64

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 31 Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Landrum must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word drafted or substitute, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words as a veteran, (or recruit;) as the case may be, should be interlined after the words mustered into the service of the U. S. A statement of all the installments of Pension or Grants Bounty RECEIVED by the Soldier must be made on the back of each final statement.

Sir - May I call your attention to the complaint contained in the accompanying appeal which was handed me for my consideration. Captain Glade of this command who was arrested at the time this young man Eckhoff was; but has since been released informs me that Eckhoff was innocent of any complicity with the acts that lead to his, the Captains arrest. May it not be that in the confusion of the times, and the obscurity of the individual, that his case has been overlooked. He is represented to me as an honest simple minded young man and one therefore not likely to commit public investigation whether innocent or guilty.

With no desire to be officious I still can hardly do less than to place the matter then before you and to respectfully solicit your enquiry. It has been expected that Doctor Hartmann would have intervened in the case. Perhaps he has. Will you do me the favor if there are charges of a gross nature to let me be informed. Very Respectfully, A. Williams

WAR DEPARTMENT,

Washington, Mich. 11, 1896

This man deserted on or about October

23, 1867, and returned

As he was subsequently restored to duty by A.O. #37

without trial, but upon conditions which appear to have been complied with (so far as not waived by the Government), the charge of desertion no longer stands against him. The record of the fact that he was absent in desertion from on or about October 23,

cannot, however, be expunged.

Mr. FINAL STATEMENT 711
OF
Andrew J. Ethridge Co.
1st Regt of Cav. M. S. M.

VOLUNTEERS.

Drill March 11, 64

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment enforced on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laurence must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

NOTATION.

Book mark: 2570. A. 1886

War Department,

Adjutant General's Office,

Washington, January 12, 1887,

This man deserted on or about May 10th, 1863, and returned on or about Nov. 1st, 1863.

As he was subsequently restored to duty by *order* No. 222 Hd. Qrs. Dist. S. M. Mo., dated Nov. 6, '63 without trial, but upon conditions which appear to have been complied with (so far as not waived by the Government), the charge of desertion no longer stands against him. The record of the fact that he was absent in desertion from on or about May 10th, 1863, to on or about Nov. 1st, 1863, cannot, however, be expunged.

After my regards ^{and} Compliments to you
Allow me the honor to report to you from this
Point as Stationed here with my Detachment
I arrived here with my Command on
the 7th inst found vacated houses sufficient to
comfortably quarter all my men found a nice
stream of water convenient for stock and
good wood within half mile of Town on Rebel's
land. The Citizens generally seem to be well pleased
to have us Stationed here and are willing to let us
have all the forage they can possibly spare
we have found forage from 6 to 12 miles and I
think we will be able to get full rations for
what stock we now have from 8 to 20 miles
I have sent a Srgt up in Henry County to look
after forage there and if he finds forage plenty
from 20 to 30 miles I think perhaps I can feed
a lot of stock for the A.G.M.

I have not been able yet to procure a list
of the disloyal persons of these Counties tho I
have sent a Capt who is acquainted with the

Citizens of these Counties to get the names
of all persons Harbors of Bushwhackers and Noted
Rebels Sympathizers with the Rebellion Families of
Noted Bushwhackers and Disloyal Families of persons
in the Rebel Army and so soon as he makes
his report I will forward the list-

All is quiet no Rebels or Bushwhackers heard
of in these Counties
